AT EL CAMINO... Aladdin and Princess will star in the production of the children's play, "Aladdin and His Wonderful Lamp," which opens today for six performances at El Camino College. Taking the title role is Jeff Selwyn, and the princess is Christa Fletcher.

Children's Play to Open This Evening at El Camino Theater

"Aladdin and His Wonderful Lamp," a play for children, will be presented in the Campus Theater of El Camino College June 1, 2, 3, and 4.

The play, directed by Howard M. Banks, is the story of Aladdin, the young hero from Scheherazade's "Thousand and One Nights," whose adventures have delighted children throughout the world.

Aladdin has a friend, "Nuphed," a talking, singing camel, who helps Aladdin in outwitting the Magician from Morocco.

THURSDAY AND Friday, the play will be presented at 7:30 p.m. Saturday performances will start at 10:30 a.m., at 2:30 p.m., and at 7:30 p.m. On Sunday, the last performance will play at 2:30 p.m.

Tickets are 50 cents each and are on sale at the campus book store at El Camino and will be available in the theater box office. There are no reserved seats. Children and adults of all ages are invited.

THE CHILDREN'S fantasy includes dancing girls, beggar boys, and the princess Badrabadur, with whom young Aladdin falls in love. The slave of the lamp, merchants in the market-place, the wazir (an official of the sultan), and Scheherazade, the story teller, make this last effort of the theater arts department a major production.

Double-cast, the play will

Proclamation Urges Hiring Of 'Over 45'

Effective utilization of the labor supply in the Torrance area is one key to the community's continued industrial and commercial advancement. And the effective use of available labor means hiring workers on the basis of their occupational qualifications, according to a proclamation issued this week by Mayor Albert Isen.

One of the most important sources of labor is the huge "over 45" age group. This reservoir of mature, experienced workers amounts to one third of the entire labor supply. An enlightened personnel policy of eliminating arbitrary, unrealistic age specifications as a condition of employment is especially important to California employers because the number of persons 45 years of age and over will increase by 40 per cent in our state by 1970, compared with a national increase of only 19 per cent, the proclamation stated.

Mature workers have the qualities of stability, responsibility and loyalty which enable them to give their employers the maximum yield from their skills, knowledge and abilities. This fact is established convincingly by numerous evaluations of on-the-job performances of millions of older workers in the wide range of occupations in our statewide and national industrial and business economies.

PTF Officers To Be Installed

Members of the Parent-Teacher Fellowship of the Western Avenue Baptist Elementary School will attend a banquet Friday evening at 6:30 in the banquet hall.

New officers for the group will be installed by the Rev. Charles T. Hughes, newly appointed pastor of the church. Dr. Ralph Mayberry, former executive secretary of the Los Angeles Baptist City Mission Society, will be the principal speaker.

Entertainment will be provided by Tenor Frank Van Be.
